

The diagram illustrates a print layout with three distinct lines: a red dashed line for the bleed area, a black dashed line for the cut line, and a blue dashed line for the safety margin. A red arrow points to the bleed line, a black arrow to the cut line, and a blue arrow to the safety line. Dimensions are shown as 3.75 inches for the width and 2.25 inches for the height. A note at the bottom left instructs to delete the guideline layer before printing.

BLEED

Any artwork that reaches the cut line **needs** to extend to the edge of the **red line**

CUT LINE

This is where your artwork will be trimmed (finished size is 3.5 x 2 inches)

SAFETY

All text must be kept within the **blue line**

2.25"

3.75"

Please delete this guideline layer before submitting your design to print.
